“ *Eddie Ray,  
I'm so sorry to learn of the death of your sister. I remember that she gave you very much moral support while you were in school. Then, you in turn gave your family support of all types when you became an attorney. This mutual caring is what family should be all about, but seldom is. You're all very lucky to have one another.*

*I extend you and your family my sincerest sympathy in your loss.*
