“ Family of Ms Edwards, may God be with you through this tough time. Normally we say God be with the deceased, but in this case we know that he is. I would like to thank God for placing her in my life for the short period of time that I delivered Meals on Wheels to her. It was such a blessing to stand at her door for a few minutes each time and chat. I found out that I knew one of her sons through the DAV and grew up with a lot of her nieces and nephews whom she wasted no time letting me know how proud she was of all her family. J.C. Crenshaw

“ I have a lot of memories made with Forrest but my favorite is us sitting and crocheting together. She taught me to crochet and I still do it today. Thank you Forrest for sharing your talent. Love you and until I see you again, Lynn
