“ *Mrs. Frances was one of my favorites. Over the years we shared many good times and I will always cherish those fond memories. Sonny, Brad and Leah, I know you're going to miss her so much. However, may you find comfort in knowing she is no longer in pain and that she experienced a glorious reunion when she went through those pearly gates. The three of you were her world and she was so proud of each of you. We never spoke that we did not talk about Leah and Ericka. Our love and prayers go out to you.*

Sonny and Brad, I am so sorry to hear about your mom. She and my dad were two of the last remaining original Buddy Ave residents, along with the Mayfield's. My thoughts and prayers are with you.

“ *Frances Edens was a devoted member of the Choir at Victor United Methodist Church where I was Chor director. She added so much humor and fun to our group with light-hearted comments and stories about her granddaughter, Leah, as she was growing up. Frances always talked about playing her tamborine (which she did not have). She and Ray were a devoted couple who supported the church in every way they could. They shared a strong faith in God and loved their family and friends deeply. Today they walk together where she longed to be, in "Sweet Buleah Land", (her favorite hymn title, also). She will be greatly missed and always loved.*

“ Aunt Frances was a very caring and loving lady. Her Mother and Father, Ann and Ben created a strong and vibrant family circle. Now that circle is complete again. Aunt Frances was the best of the best. I'm honored and privileged to share Her DNA. Rest in peace Aunt Frances. I love You.
