“ Susan, Mandy, and Families, we are sad to learn of your loss of Frances. She was such a sweet person and was so proud of her precious family. As a cousin to your Dad, your parents were special parents to you and were hard working in their careers and as well at my home church, Woods Chapel. It was such a joy to see your family there together. May God wrap you in His love to give your peace and strength during this difficult time and may your memories give you comfort during the coming times. May God bless each of you . We are sorry we can not see you during this sad time,, but due to our health issues we will not be able to attend the service. Sent with our love and prayers,
