“ Dear Linda and Donna, so very sorry to hear of your sweet mothers death. We were out of town--I had so miss seeing her when she was with you Linda and I did not have your #. She was a special lady and will be missed by all who knew her. My mother is so worried about who will take care of the plants and birds. That was two things she really loved doing. Again we are so sorry. Take care and maybe I will see you soon. Shirley###imported-begin###shirley whitley###imported-end##
