“ Dear Jennifer & Patti, I was so sorry to hear about your Mom. She & your Daddy were Always such sweet people to me when we were growing up. Mom & I would run into them at Backhome cafe on Sundays after church & they would always stop & talk with us. Please know that you & your family are in my thoughts & prayers.

“ So sorry to hear about Mrs. Leonhardt. She was truly a lifeline to all the secretaries at the school district, She had such patience and was always kind and willing to help. I remember at one of the meetings when secretaries were being introduced and Dr. Fisher said "My secretary walks on water." We all had to agree. She was very precious and I know will be greatly missed by her family.

“ I do not know how to begin to tell you daughters, what an influence your mother and dad had on Brenda and my lives from our growing up years, through adulthood and professionally. Francis was such a sweet woman, and Darrell or “Corn” was like a brother. Brenda and I grew up at Victor Baptist Church and your parents mentored us. Your dad was a close friend of my brother Gary, and for that matter, to anyone he ever met. Your mother was the same. The years took us away from Greer, because I was a pastor, but anytime we got home your parents acted, as if we never left. I could go on and on about your dear mother, but just know we loved her. May God be with you and comfort you in these days and weeks before you. In Christ’s love, Billy and Brenda Bridwell Vaughn

“ Dear sweet Frances, you were such a special woman and loved by so many people. You were a helpmate to my mother to drive her as part of her job while you were in high school. She loved the time you spent helping her and our life long friendships began. My precious memories of those years give me a pleasant smile to think of those days. My prayers for your family and for God's love to surround them His love, grace, and peace during this most difficult time. May your memories give them comfort in the coming days. God bless each of you and be gracious to you. Sent with my love and prayers.
