“ I’m her niece Allison Pearson Thelma Jamison’s Granddaughter & Kay Jamison’s Daughter. I had been calling her to check on her every other day or so sometimes everyday, we’d talk. I already miss calling & talking to her everyday or every other day, she never complained about nothing hurting or anything, even if it was. She would be like well I’ve got to straighten up this house, sometimes she’d say she was going to cut grass or rake leave’s. She was a tough lady to be 97 year’s young. I’ll miss our talk’s I already am. So sorry about her family’s loss. My Thoughts, Condolence’s & Prayers are with you all
