“ Fran you were the Best Friend A person could have and you were mine. I can't even put into words how much I will miss our daily talks, all the fun we've had, the crazy things we've been through, the ups and the downs over the past 40 years. Through it all we always had each other to lean on and count on to be there for each other. I'm gonna miss you like crazy girlfriend! I find Peace in knowing that you loved Our Lord Jesus and now I know you're not in pain anymore. RIP my Precious Friend!
