“ *To the family of Frances S. Vaughn, I was sadden to hear the lost of my dearest close friend. My heart is heavy and not wanting to think that's it true my friend has gone to be with the father in heaven as well as her mom, dad, brothers. This friend was not only a close friend but also a mother figure for me and my daughter. A person that had a beautiful spirit inside and out. I will miss her jokes, laughs and talks during our times together working with her at Precision Valve for 10 years. But u have left this life over here, but I will see u in our heavenly home, that God has prepared for us. Rest on my friend, and know u will forever be in my heart. To Donna, Danielle, Marla, and Cody, Jr. I will continue to keep u in my prayers.*
