“ *Frances you were not only my neighbor and friend but you were my grandma. You loved my husband and my children as if they were your own. You had a wonderful spirit and a loving smile. “ My deepest sympathy goes out to the family of Frances. She was a substitute teacher in my second grade class at Taylors School in 1959. In the fall of 1959 she began working in the school cafeteria. I continued to see her in her husband Jimmy's store until our family moved to Charlotte in 1964. I appreciate the good job Frances did in teaching our second grade class while Mrs. Barton was experiencing sickness.

May God bless you all in your time of sorrow!##imported-begin##Brant Hart##imported-end##
