“ *I worked with Frank at Trylon (Emery) from 1972-1976. He and Leon would debate the merits of the Cowboys versus the Redskins. They both taught about living in the south since I was a transfer from Cincinnati Emery. I vividly remember how they both laugh at my mispronunciation of town. I would say "See-neck-a", they laugh and say Ray, it is pronounced, "Sen-a ca". I enjoyed working with Frank who made the job fun. Ray Boettcher*
