“ *The first time I met PawPaw was in November 1981 as Robin's "date". 25 years later I'm still proud to be a member of this family. PawPaw's passing marks a sad time for all of the family and friends, but heaven is richer and we are blessed knowing his physical problems are over. Grandmother Hopkins said that when Granny passed away back in 1991, at that moment PawPaw praised God and said, "Hallelujah! She and Daddy are now shouting on the streets of glory together again!" Now another Hopkins voice has joined the chorus. Carolyn Ann has her Daddy to love again and we all look to the day when our reunion is complete. Semper Fi PawPaw...you have entered into the joys of your Lord.##imported-begin##David Williamson##imported-end##*

“ *Dear Grace & Kids:
I was saddened to read about Frank's passing in the Coal Valley News. I remember all the good times at your house playing in the bottom in front of the school & eating Frank's ice cream custard on the 4th of July while he was out looking for ice. May the Lord strengthen you and meet all your needs at this difficult time.
Love,
