“ Terri,
I am posting again. Wanted to share my memory of your Dad holding your pet alligator when we were in high school. I remember that being so crazy. But we loved it! Loved the fact that you had a pet alligator. Thinking of you and your family.

“ Sorry to hear about Frank. We go back to when we were kids. Our parents were good friends, that’s how we met up. Later years Frank, David and I made many trips to the Darlington Car Auction. RIP my friend.
