“ *Becky, Taylor, Haley and Families: I am terribly sorry for your loss and I can not begin to imagine how and what you must feel. No words can make the hurt go away right now, but knowing your loved one is with Jesus you can find comfort and peace in that. Becky, if you need someone to talk to , hold your hand or sit with you, I’m here. Childhood friends may wonder away from time to time, but when it comes to needing something, or if I can encourage you, I’m right here down the road and you aren’t alone. Taylor and Haley, you have a beautiful family that loves, supports, encourages and will always be there for you. Your mother May lean and get her strength from you. To the rest of the Baldwin’s and Johnson’s I peace that you will feel Gods presence and comfort during this difficult time.*

“ Please accept my most heartfelt condolences. I worked with Craig while I led Aruba marketing at ScanSource a few years ago, and we attended many events together. Craig always made work fun, was quick witted, loved to joke around, and was an all around great guy who adored his family. I'm praying for peace, comfort and acceptance for all of his family and friends as we strive to come to grips with this. May God Bless you all. RIP Craig.
