“ Dearest Mae and family,
How sorry we are to hear of Frank's passing. It was very difficult for us to hear about it. We have been keeping you and the family in prayer since we learned of this. We all loved Frank very much and enjoyed seeing him when in Greenville visiting family. We would always see him at church on Sunday when we attended Bud's church. It was always a comfort to see his smiling face and receive his warm welcome. Both of you have been remembered often through the years after we left Fellowship Church. Our thoughts and prayers for you will continue in the coming months. We wish that we could be there with you to be of any help that you would need. Be assured though, that you will be on our mind and hearts. We love you.

“ Randy,
I am so sorry to hear that your father passed away. This is certainly a difficult time for you and your family. Just know that my prayers and the prayers of my family are with you to comfort you and bring you the strength you need. God is your refuge in times of hardship. Remember that He is there to help you through it. God has a mansion with many rooms and your father is in peace there. Be encouraged knowing that he is waiting for you and you will be all together once again. For now, let your good memories carry you through.##imported-begin##Gretchen Everham##imported-end##

“ Jones Family:

I had the pleasure of working at Union Carbide and Amoco with Frank. I found him to be a man of character and integrity and thought of him as a friend. May the peace from God be with you at this time. May you find comfort in knowing that he was very well thought of by his friends and co-workers. God Bless You.##imported-begin##Larry Burgess##imported-end##
