“ So many sweet memories of Frankie. From the time we were little kids and he was often at my Uncle Cecil's store. A special classmate and a great helper when I shopped at Doriis Casuals so many times. He was always smiling and gracious and handsome. Loved seeing him at our class reunions. Rejoicing that he is reunited with his beloved Doris. Prayers for your sweet family.

“ Frank was one of the best men God ever allowed me to meet. I will treasure all the times he made me laugh when we would cut up together. He was always smiling and would always bring one to my face. I'll miss you buddy but I know I will see you again.

“ To the family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. . . .And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Rev 21; 4

I will call him Frankie as I did when we were kids and neighbors. Mr. big John Wilson would take Frankie, Myself and my brother Elmer Sizemore roller skating once a week. That seemed to be the most fun times for us, and my Dad Boyd Sizemore would be with us just to make sure were safe. The Wilson's were such good neighbors and kind folks. I will always remember Frankie Wilson.
