“ I have been Frankie's hairdresser for 40 years. We always got caught up on what we and our families had been up to over the month between appointments. She was not only a client but like a family member. Wednesday mornings at 10:00 every 4 weeks will not be the same. Prayers for Chuck and Julie and all family during this difficult time

“ Frankie was my first cousin, and she was sixteen when I was born. I was always told that she played a part in choosing my name. I always thought she was beautiful, played the piano with ease, and was a wonderful seamstress! She made me a gorgeous little pink satin nightgown before I was hospitalized for my tonsillectomy as a young child. So many sweet memories.
