“ Fred Ashmore married my sister, Nancy, when I was two years old. I don't remember a time when he was not part of my life. I spent countless hours at their home and on vacations with them. Later on, my nieces and nephews, great nieces and nephews, and my own children were all recipients of Fred and Nancy's love and generosity. The memories I have of Fred will always be happy ones...full of laughter and simple fun. He was a wonderful man who loved my sister and claimed my entire family as his own. I love you, Fred, and I will miss you.

“ Fred will be missed so much by the entire Jordan family. We were more than longtime neighbors, we became family after so many years. I'll miss sending supper plates to him and talking about Nancy. He was a super special man and we all loved him dearly. Rest In Peace my sweet friend

Fred always sat behind us in church and we would chat. He always had a smile. Doug and I are going to miss him. My deceased husband and I were with him and Nancy on their first date. He liked to talk about that, he loved Nancy and they were a beautiful couple. Carole Cole Cox
