“ Dear sweet Patty, I am so sorry about the death of your precious husband Fred. You and your family cared for him through his long illness. He is at peace and I'm praying for peace for you as well. As I was thinking of memories, my mind reflected when Walter and I were dating back in 1955. At times, Walter and I would go on daytime dates and as soon as Fred and Joe heard the engine, they were running over to "join the date" LOL And of course they were included. There are too memories but hopefully it will give some comfort to you. You and Fred stood strong with me as you also mourned Walter's death. My prayer for you is for the Lord to give you abundance peace. HE is Faithful and will walk beside and with you in this time of grief. HE is close to the broken hearted and His Love is Everlasting. I love you honey and will watch the televised service and be praying.

“ *I've known Fred since Grammar School. We grew up together. I was really close with his family until we went to serve during Vietnam war. Rekindled our friendship after service in '72. Went drag racing together for years. Couldn't have known a truer friend. He would absolutely do anything he could to help you with anything you needed help with. Loved playing golf and working on cars and just spending time with him. He was always a real sharp until Parkinson's took over. I'm really going to miss him. Tommy Hall*
