“ Fred Lynn was a very good man his family were very good friends with our family. You could always count on them to help out if you were in need. I had the privilege of seeing Mr Fred a few days ago after not seeing him for a while and I’m thankful for seeing him. He will be missed by many. To the family I know what you’re going through and you’ll be in my prayers. I’m sure he and my dad are farming in heaven.

“ I enjoyed working with Mr. Fred Lynn. He would allow me to look at there strawberry and vegetable plants when they thought there was a problem starting even though most if the time they already had a pretty good idea of what it was. This has helped me get better at helping others. His work ethic and love of his family and the land were always evident to all. He will be greatly missed.
