“ Dear Brenda and family...we are so sorry for your loss, Fred was a good man and will be missed by all of us. I have lots of fond memories of our youth and the fun times we had together. His love for cars, especially Corvettes is legendary...I remember the good times we had in the 50s and 60s cruising the streets of Greer in one of his '55 or '57 Chevies, of course there was the occasional drag competition with our young friends. All the best to you and family.
