“ *Steve, I am so sorry for your loss and I'm praying for and your family. I know what you're going through, but God will help you through if you just lean on him. Your dad is in the best place there is and he would want you to be smiling instead of having sorrow. Just know, he is no longer a sick man, but a brand new man whose shouting in heaven and singing his heart out. Again, I'm very sorry for your loss and I will keep you in my prayers.*##imported-begin##Shannon Johnson##imported-end##

“ We express our compassion at the passing of Mr. Smith. I (Ken) enjoyed meeting and talking with him when myself and Steve went fishing and remember the supper I had with your family.

May GOD comfort you during this time of sadness.

“ Steve, I am so sorry for your loss. I know how you feel since I lost my day back in 1995. I know you were close to him and shared a lot of interest and good times together. Those memories will live on for ever! If I can do anything for you and your mother let me.
