Even when her body malfunctioned with MS, Freida kept giving. “ *Frieda was such a testimony of her love for the Lord in high school. I was lost then but admired her so for her strength and testimony during those difficult teen years. I have thought of her often especially after I was saved. Prayers for the family but you were so Blessed to have her. I know she is rejoicing with the Lord. One day we will see each other again.*

“*Frieda was everyone's friend, and a faithful servant of our Lord. I am very saddened to learn of her passing. Truly, she made our world a better place. She always sang a cheerful song, that her Daddy sang to her, and brightened every heart. To Brian, and family; What a blessing to have had her in your life! You all are in my thoughts and Prayers over the next days, weeks and months to come. I am praying that God will give you peace and comfort at this very difficult time.*

“ Freida will be missed greatly. I knew her for a short time but I was impressed by her graciousness, her Godliness, and kindness. Though I know life wasn't easy for her, she never complained about her physical problems. She was always a joy to be around and her life was such a great testimony to the grace and love of Christ.

“ *Freida was always kind, compassionate, and a true example of a Christian. She was like a mother to me when I worked at Ryan's and I have such fond memories of her. She shared in my joys and was a shoulder to cry on during tough times. My heart is saddened that she is no longer on this earth but I know I will see her again one day in heaven. My heartfelt prayers are extended to her family and many others who loved her.*

“ When I think of Frieda, I think JOY! She did not talk about herself or her disabilities or pains; she just wanted to know how I was doing! I also think ON THE MOVE... I would also run into her at different places like Lowe’s or other stores where she , often with her sidekick Sandy...
