“ Dear Kent Family:

I way so saddened to read Gale's obituary. I can only imagine the overwhelming loss all of you feel. Based on the hospice reference, I have deducted that Gale suffered from cancer. My deepest sympathy to all of you.

Gale and I were best friends at Spring Creek High School (1960-64) and I have spent many wonderful hours in your home. Her family became mine and I have treasured these memories throughout my lifetime. Sadly, we lost touch after high school. I am not sure when last she and I met.

Hopefully, someone of you will remember me and respond to my e-mail address at a time convenient to you. Please know that I feel the pain of your loss.

Please contact me if I can do anything for any of you, and if you are so inclined, just contact me.

Again, my heartfelt condolences.
