“ Ann, I just heard and was shocked to hear about the passing of Gary. I had tried for a month to locate you all. You will never know how much you and Gary meant to us. We truly treasured our friendship and times we spent together. Our prayers are with you and your family. I will always carry my friendship with Gary close to my heart. I shed tears upon hearing about his passing. With the passing of him and Joe, the circle of my close friends is shrinking. Faith and I will be in touch. We have moved to Anderson.

“ I was a classmate of Gary's at North Greenville. I met him early in the fall because he was dating my roommate, Ann Baker. I remember him as a gentleman with a keen sense of humor. My sincere condolences to Ann and their family. My prayers are with all of you.

“ I remember Gary from Easley High, played football together. Then in the 70`s Gary and I had many lunches together, as he called on me at Woodside mill. Gary was always a gentleman, the kind of person to look up to. The world needs men like him today. God bless you Gary and all your family. WILLIE M STANSELL JR>

“ My favorite memory of Uncle Gary is one Christmas at Granny Baker's house. Uncle Gary and Uncle William played a joke on Aunt Ann. They wrapped a gift to Ann that had magazines and some kind of Danish half eaten. Everyone got a kick out of that. My prayers are with you all. He was one special man. Love Kim and family.
