“ I was shocked and saddened to hear that Gary passed away. He was a good person and friend. He always treated everyone fairly. Working at Servistar, everyone was like a family, people cared about each other and still do. Gary was a good person and will be missed. Heaven just got a great addition. I think 2nd Timothy 4:7 best describes Garys life. I have fought the good fight, I have finished the race, and I have kept the faith.

“ I always remember Gary coming to the post office to see Paula. He would stop and we would talk about golf mostly. Gary always had a smile and was a pleasant person to be around. You could tell how much he loved Jesus and he is with Him now. He doesn't have anymore pain and he is joyful.
Paula and family, I am sorry for your loss. May God comfort you and you have a lot of family and friends supporting you all. He will be missed so much. Colleen and I are in Malta.

“ I am several years younger than Gary, so I never knew him as I was growing up. My first experience was playing church softball with him in the early 80's at Greer First Baptist. Through that experience, when several us weren't conducting ourselves in a manner that would be pleasing to Christ, I witnessed Gary do it the "right" way. Since then, I was fortunate to serve with him at church, and to listen to him as a Sunday School teacher. I grew to love and respect him as a true man of God. His attitude and outlook was always positive, even when things weren't going that well. And of course we had a few jabs at each other over Clemson and Carolina issues. But it was ALWAYS in fun. I considered him to be a friend and will truly miss him.

“ *Paula, Jessie and family:
One of the best memories I have is when Brandi and I got to play with Gary and Jessie in one of Servistar's Golf Tournaments. The golf was not all that great, but we laughed all day and had a lot of fun. Gary was loved by all at Servistar. He was an inspiration to all of us, especially to me the last few years we were there. He encouraged me to join the Management Staff and I would not be in the position that I am in today. I know he will be missed by all who knew him.
May the Lord be with you and your family as only He can do.*

“ *My Dearest Paula and family,*

As you know, all of you have been a great blessing to our family. Gary was a wonderful man who brought a lot of joy to all who came into contact with him. He and Mickey always had great conversations about all the many cars Mickey had at one time. Gary would come by and say, Ok Mickey lets see the latest addition in your car lot.

May God comfort you and bless you. Please know you can call me at any time for anything.

“ Paula and family, my heart is saddened to hear of Gary's passing. He was one of my very favorite Servistar friends. My favorite memory is our Tiger - Gamecock antics at work. One year I became his anonymous Tiger nemesis at work, leaving poems, notes, little orange gifts in his office during football season. It drove him crazy trying to figure out who was tormenting him. Clemson won that year and I had the biggest chocolate chip cookie baked for him with a huge Tiger Paw, the score, and my name. I snuck it into his office to await him that morning. He was astonished to discover the culprit was me! We laughed often that I "got" him. He was a good man and I am thankful to have called him friend. Sending my prayers and thoughts your way. May God comfort you as only He can.

No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. . . .And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. “ Paula, My thoughts and prayers are with you. I am so thankful that I got to go and have that breakfast with my dear American Hardware friends just a couple weeks ago. I have worked at other places after we have left American Hardware but none have been like there. We were like a family. I will cherish all the happy moments that we all shared. As I reflected back yesterday I will just tell you that Gary was one of the most uplifting positive persons that I knew. He loved the Lord and it shined through even in his sick and down times. He will be greatly missed and I am broken hearted to lose such friend. May the Lord give you the strength that you need in the next few weeks. Never a doubt of the love he had for you and his sons. Prayers with you..Matthew 11:28 “Come to me, all you who are weary and burdened, and I will give you rest.”

What a great guy!!! WE all can take a lesson from how Gary lived his life, a friend and a gentleman, an honorable man, a man of God. He loved to play golf and enjoyed the company of those playing with him. A real sports fan.

“ Paula and Jessie

I first met Gary at American Hardware in 1978. As warehouse employees I knew Gary initially as a co-worker. As time went by, we shared family and personal details and a casual friendship was formed. This friendship intensified when I joined the supervisory staff at the distribution center. I knew Gary had battled health problems in the past but I got a first hand look at the courage and strenght he exhibited every day while doing a very difficult job. Through all of this he mentored me and taught me how to get the job done while recognizing the needs and concerns of our employees. He never complained about his health issues and always was there if I needed him. I was proud to work for him but I was more proud to call him my friend. He will be missed and alway remembered

May God give you strenght and know Gary is with him now.
