“ Gary was a wonderful part of the group of friends that I had at Fairview Elementary School back in the early and mid 1960s. I'll never forget his gentle manner and his beautiful eyes. He was indeed a very special guy.

I am saddened to hear of his passing.

“ Our hearts and prayers are with the family. I am still trying to come to terms with this as I'm sure everyone who knew him are. Great friend, person, and neighbor with 100% fond memories always. We love The Turners and will always be here for each of you. Gary was great in everything he did in work and play. I learned so much from him. I was proud to get him interested in hunting local indian artifacts, and especially for him to go out and find the most awesome piece found in the upstate. That was Gary :-))##imported-begin##Tony & Teresa Smith##imported-end##
