“ One thing that I can say about my uncle Gary is that he loved football. He would call me ever so often to talk about the game he loved and talk about the Sooners and the Dallas Cowboys. I will miss the calls from him. Our prayers are with all of the family.##imported-begin##Danny Turner##imported-end##

“ I will certainly miss the phone calls from my brother. He would call for no special reason, just to see how we all were doing. He always ended a call with "Tell everyone hello and I love you and will talk to you later". My prayers are with his lovely wife, Marian, and his children and grandchildren.##imported-begin##Barbara Turner##imported-end##
