“ Abe, Scott, and Missy (and family)---I just heard about Ms. Gayle. I am loving on the family in prayer. She was always a constant source of encouragement to me growing up. I remember hanging out at your house and jumping on the trampoline. She always provided yummy refreshments. Her servant heart and love for Jesus came out through how she served others in and outside of church. You had a Christ-centered wife and mom who is in the presence of Jesus today. Asking the Spirit of God to fill you with His grace and presence as you celebrate her life and grieve her loss. Wish I could be there to give you all a big hug but I'm out in Ruidoso, NM now with the family. Love you all, Todd Sullens (706) 718-9437

“ Missy & Scott, Abe, and all the family. I came up to the Brushy Creek Rehab yesterday but they told us she was no longer there. I then found out she was at McCall's Hospice House and had planned on going by to see her today when I received word that her suffering had ended and that she was now in the Lord's presence with Him and all her loved ones that have gone before her. I know she was thrilled by the wonderful welcome party she received from all those who knew and loved her when she was in this world. I know that all of you and those of us who have known her through the years will miss her but we rejoice with her as she is with all of those that she knew and loved here upon this earth. Our prayers are with all of you and I know that God will be with you to give you the strength and comfort you need for whatever is ahead. Abe I hope that you are soon feeling better and I know that your family will be there to love and care for you and all of your needs. God bless all of you. I am sorry that I will not be able to attend her memorial services due to a previous commitment. Stay in touch and if there is anything that I can do, do not hesitate to call. I worked with Gayle for many years at Cryovac. She always had a smile on her face. She was a very good friend. She had the voice off an angel and I will always cherish the friendship we had. Sandra Dean
