“ Alan, I am so sorry to hear of the passing of Gelinda. We had fun in our school days many years ago and she was a good friend. She is now free from pain and sickness but I know she will be missed. Praying for the family.

“ *Glinda always made me feel welcome at her home and was a kind hearted person. She loved her family and she made sure that her mom was taken care of. Her days of pain are over and she is with her parents once again and they are strolling over Heaven. She earned her Angel wings and she is free. So glad I had the opportunity to know her. I will always remember her and deepest sympathy I send to all.*

“ She was such a dear friend to my aunt, Geri Melton, her neighbor - always ready to lend a helping hand when Aunt Geri needed her. They enjoyed being neighbors, card games, and laughing about daily things - she meant so much to Aunt Geri and she missed her when Geri moved to Greenville. Geri will be so glad to see her again. My heartfelt sympathy to all of you in her loss and may God surround you with His love, mercy and peace to face this difficult time and may we rejoice in God's promise that we will see our loved ones again in Heaven with Him in the "sweet bye and bye". May God bless each of you. With my love and prayers, Linda (Geri's niece)

“ I had a set of twins in 1972 and she was so excited she came to Hendersonville nc and had bought the most beautiful little bracelets for them with their names on them. It meant so much to me and they had links added to them and wear them to this day. What a precious memory
