“ What a gift to have met and have been loved by Gemma. Upon meeting Gemma as I picked her up from the airport. I was struck by her pain. I hid my tears but I immediately loved her and borrowed her courage. She is a shining light. She is a warrior and leaves a legacy of love and care . You did not have to guess where you stood with her. She was real and honest. She did not apologize for it. Until we meet again beautiful Sister friend. I love you!you hold a place in my heart forever.
