“ I’m so sorry to hear of your dad’s passing. Gene was a kind and special person, always smiling. Pam, Sandy and I talk about those days often and how much fun they had playing in our great neighborhood. It was the best place in town. Our thoughts and prayers for you and your families.

“ Gene and I were in the GHS class of 55. Gene was one of my closest friends; my favorite memory is in the winter of 54, Gene, Jimmy Talaff, George Jones, and I attended all the Furman home BB games; we saw Frank Selvy score 100 points against Newberry. Gene was an outstanding baseball player; he was a great hitter. Gene was smart and was an excellent student. He was thrilled to have the Braves win the World Series. Gene loved the Lord! My friend, I miss you; there is no doubt that you are in a better place.

“ My memories: His garden-he got more vegetables out of that little garden than I thought possible. Watching him play baseball for the textile mill's (Greer or Appalach?) baseball team, and he was very, very good. Him taking me to American Legion baseball games in Greer. Him taking Keith and me fishing when Keith was about 6 years old. I caught fish, but the only thing Keith caught was his own right ear, although Gene had told him not to try to cast with a cane pole. He and my Dad playing with us kids in the creek on the farm in Dacusville. Good uncle, good Dad, good man.

*Thank you Creig for the kind words about Dad. Your memories took me back. Also, I've never gone fishing again since catching my ear!*
