“ *Gene was a pleasure to talk to and chat about Football. We kidded each other's football teams. Gene was always giving me grief During the Spurrier days (5 in a row wins) I got him back by telling a customer at Rocks that he was a Clemson fan ! My friend thought he was going to hit him ! Gene and I laughed about that one a long time. That is what made me like Gene so much ! Just a great guy to everyone! He made me like Carolina even ! Rest in peace Gene !*
