“ *My love and prayers are sent with this message. Our homes were in different states, but our love was close in our hearts. I have never known a friend as true and loving as Geneelia. My husband and I visited her at the "home place" in 2016 and what a wonderful visit we had! She was a smart business woman, a loving mother, and a "jewel" to her church and family. She must have been an inspiration to all who were in her life. I count it a blessing to have been one of these. Friend Betty Parrish*

“ Dear Miriam, Charlene and Stewart, we're so happy that we knew your mother. Her brilliant smile and welcoming arms made us feel like we might've been part Stewart instead of Elliott! We “Lowcountry folks” felt quite a kinship with Aunt Ruby's family and have fond memories of meeting all her siblings and their children. You all will be in our prayers. Much love, Miriam and Regina (Ethel's girls)

“ We will miss you, Aunt Nete! You’ve been such an influence in our family, from the time you babysat my mom, to when you’d have me over when I was a toddler (my fondest memories!), to even now. You were somebody I wanted to be like: beautiful, glamorous and a smart businesswoman. I’m so glad my daughter and grandkids got to know and love you..❤️
