“ Uncle Mitch,

*I will miss you. I have always loved you and enjoyed the time we spent together. You always lifted me up when I saw you and made me feel so special. I always felt so happy in your presence. I hope that I did the same for you, as you were an incredibly loving and kind spirit that I was blessed to have as an uncle.*

*I will cherish all of the memories I have of having coffee at Mom and Dad's and sitting on the patio together at their house. I know that my dad loved you very much and he was always happy when you stopped by.*

*I know that Adrienne loves you and that she was a blessing to your life and you a blessing to her life. I'm sure her heart is hurting and that she will miss you so much.*

*I am especially grateful for the time we spent together when I visited you in February this year before the pandemic. We had such a good time as I pushed you around the nursing home in a wheel chair and we talked and laughed. I remember we laughed especially hard while we were trying to get a good selfie of the both of us.*

*I will miss you, Dear Uncle. I know that you are in heaven and that we will all be together again someday. Love lasts forever.*

*Love Always, Your Niece, Debra Lynn Riddle Merritt.*
