“ Mr. Byrd, Victoria, Isabella and Isaiah, Mrs. Byrd was always loving and caring towards me and always welcomed me into her home with open arms. She had a spunkiness that only she could exert, like all of the times that she wanted to show me and make sure that I knew of her "gun!"She was always willing to listen as well as offer support and advice through the tough times. She had the warmest smile and a soft heart which could put the toughest of persons at ease. Mrs. Byrd will be greatly missed and my deepest condolences are offered to you at this time. Always, Curtis
