“ Larry, Paula, and your families are in our prayers. I'm sick or would have been there. Benny and I loved Geneva and visited with her often at White Oak. She was a precious friend who loved her Lord and her family with all her heart. I remember she and Paul would visit us at Tucapau on many occasions, and would come in my class for S.S. They both loved The Lord dearly. They are now reunited, as my mom was with my dad five years ago. It's hard giving up loving Christian parents, but, we know they are not lost, we know where they are and we will see them again. We love you, Larry and Paula, we watched your children grow up with loving grandparents, and our prayers are that they will treasure the memories stored up from those times spent with Paul and Geneva.
