“ Dear Ken,

I was deeply saddened when I read the obituary of AG this morning. My sympathy and prayers are for you and his family. I remember our childhood of fishing, hunting, and swimming in the creek very well.

May the spirit of God comfort you.

“ Tammy, Bill and family, We cannot begin to tell you how saddened we are at the death of George. Although we have only known him since November, he quickly took a special place in our hearts. He was so wonderful to Daddy and we deeply appreciate that. But more than the things he did for Daddy, he was such a friend. The memory of George sitting on the arm of Daddy's chair talking to him, the two of them laughing and making plans to go rabbit hunting, and the parties he attended at our home will always be memories we cherish. Please know that we are so sorry to hear about his death. He will be deeply missed. We pray that God will comfort you with sweet memories and joy in the lives you shared. Our thoughts and prayers are with you all.##imported-begin##Mike and Suzanne Hardeman##imported-end##
