“ *What an impact! Strong, loving, true, and humble. Dr. Jensen taught me to love the Word of God, obey it no matter what it said, and never, ever, mistreat or handle it lightly. I loved how he loved His God and revelation. Powerful preaching of depth and insight and always in submission to its tenets of truth. I am so thankful to God for his life and laughter which taught me a balance in Truth. Grateful and blessed by all that God molded into him for all of us. Blessed be the Name of the Lord.* ”

“ *I have wonderful memories of George as a faithful servant of the Lord and a dear friend. Many times we spent in fellowship together as we made church visits in Marietta, GA. George was a wonderful blessing to our people as he ministered in the church that I pastored in Dover, NJ. He was a man greatly used of the Lord.*

“ *No matter the occasion, Dr. Jensen had a warm greeting for me. I especially enjoyed having him preach at Missions Conference at the church I pastored. His passion for missions inspired me. His keen mind in discussing ministry issues and controversies challenged me. His friendship as a fellow board member with EMU International delighted me. I will miss him, but I love that he now enjoys the reward of being in the presence of his Savior whom he served with his life.*
