

George Anderson Sandford Jr

January 27, 1933 - February 16, 2016

George Anderson Sandford, Jr., of Nutley, NJ and Hackettstown, NJ, and most recently Greer, SC, passed peacefully early Tuesday morning. In his eighty three years he touched many lives and was a source of wisdom, strength and compassion for all that he met. A man of many talents and hobbies, he filled the world with music, laughter and warmth. Always the engineer, he sought to better define, understand and put order to the world around him. George never did anything halfway and embraced life even in his final days. While his passing creates a void for many, his legacy will persist and continue to make the world a better place.

He is survived by a large and loving family, a church he dearly loved, and many dear and wonderful friends. While we are certain to feel his loss in many ways we know that he passed being anxious for nothing, and firm in his love and faith in the Lord.

In lieu of flowers, please consider donations to the Hospice of the Carolina Foothills, 260 Fairwinds Road, Landrum, SC 29356, <http://hocf.net/donate/>, the Bible Baptist Church, PO Box 721, Taylors, SC 29687 or to a charitable mission your choice.

“ *Apologies in advance for anyone we haven't had an opportunity to reach out to personally. As some of you may be aware, my dad was recently diagnosed with cancer, and succumb to the disease late Tuesday night. We were fortunate to have several days to be with Dad before he passed, and are thankful for the excellent care and compassion so many showed him during his last days. It goes without saying that he will be missed by everyone that knew him, but we hope you will hold happy memories of him in your hearts. Thank you all for your prayers and the innumerable kindnesses that you've shown, especially from our cousins that stepped in to help out when we were unable to do so. In his final days Dad was at peace and we shared many remembrances of happier times. We're in the process of making arraignments for memorial services both in South Carolina and in New Jersey. We'll miss you Dad.*
