“ My dearest Lib, I am so sorry to hear of Henry's passing. I always knew you as "Lib & Henry". When you saw one, you usually saw the other. You two were like 2 peas in a pod, you just belonged together. You did have quite a few years together that I know you will cherish for the rest of your life. I know he is in a better place and you will see him again. Look to the Lord for the void that I know you must be feeling. I love you and if there is anything that I can do, please don't hesitate to call.##imported-begin##Ruth (Sudduth) Martin##imported-end##
