“ Dear Mrs. Denton and family,  
I am saddened to hear of George's passing. Jennifer has told me that you were always by his side from the start of his illness. One can only hope to have such a caring spouse and family. My mother had a long fight and was surrounded by loved ones and it meant so much to her. The hardest day for me was reading all of her cards sent from friends that truly knew how to express themselves. I know you can count on your family to comfort you, having read the obit, there is a very large support group/ family. Jennifer is one special lady who loves you very much. God has stopped George's suffering so be happy for his life not sad for his death.##imported-begin##Joe Spann 3rd.##imported-end##

Betty Sherwood and I were saddened to see the news of George's death. We have such good memories of him and our times shared in Singles Sunday School at Edwards Road Baptist Church. George was such a gentleman and a dear friend. You and all the family have our sincere sympathy.
