“ It’s so hard to believe you’re gone but, there is no doubt you’re in a better place. You’re rejoicing with our Lord and Savior and reuniting with those who have gone before you. I will never, ever forget all of the time I spent with you when I was a child. You loved me like your own...and I loved you so, so much. I always have and I always will. I will never forget how you took care of my mama. All of the time you spent at the hospital with her. I will forever be grateful to you. You will ALWAYS be in my heart and I will ALWAYS be your TootieBug no matter how many times I’ve said “I’m not a TootieBug”. That special nickname will be with me always and I will fondly remember you when I hear it or see it. I love you Aunt Georgie. I love you!! May you rest in heavenly peace.

“ I lived beside Georgia’s Aunt Polly. We grew up playing together in the back yard. We also went to Victor Methodist as children. I loved all the Robinson children. We shared many childhood memories. Praying for her beloved family during this sad time. She will be missed.
