“ Chip & Margaret,

I was shocked to hear about Ms. Georgia. My prayers are with you and your family.

When I try to find a few words to sum up Georgia's life, it has to be "service to others". She impressed me most with the giving of her time to her church, her neighbors, her family and really anyone in need who came into her path.

I've seen her visit at Piedmont for hours upon hours when family and friends were there for rehab. She also spent her time every month with the Willing Workers Sunday School Class coming to entertain and care for the residents of my nursing home.

The entire Mount Lebanon family will truly miss her.

I love you all,
