“ I am so sorry for your loss of this lovely lady I was privileged to know while visiting my mother at National Health Care in Greenville, SC. We so enjoyed her colorful conversation and quick mind and spirit. We looked forward to seeing her when visiting my mother as she was always very informative as to what was going on with my mom and very helpful to us in many many ways. I was so sad to hear of her passing. We became friends in a few short weeks and I will never forget her optimistic spirit, sweet demeanor, quick wit and laugh. She had a great influence on me as I saw someone who always thought of her glass half full despite all the obstacles she had to overcome. Take care and God Bless! Sincerely, Cathy Tew

Hi, I'm Cathy's brother Roger Lusk. I totally enjoyed talking with your mom. She was very bright and had a knowledge of lawnmowers that surprised me. I so enjoyed talking with her when I went to visit my mom. At her request I "enlarged" the numbers on her calendar and she so appreciated it. We also talked a little bit about theology. I know you miss her and I just wanted you to know what a blessing she was for us.
