“ I met "Hook" at the Taylor's McDonald's and became part of the coffee group. I looked forward to seeing him and was saddened when he had to leave the area. He was and always will be missed.

“ Hook was a regular member of our little coffee club at the Taylor's McDonald's. That's where I first met him and always looked forward to seeing him. It was never quite the same without him.

“ To the Cronin family, I am saddened to hear of your loss. I grew up with Mr and Mrs Cronin as neighbors and have many fond memories. They were always kind, considerate and just great people. Many times I would go to their house and talk to Mr Cronin as he worked in his yard. It was always immaculate and was such a man of honor and made it easy to be proud to be an American by flying the flag over the anchor aside. My daddy is a Navyman too and I always loved seeing that anchor as I passed his home. May you find Gods peace, comfort and grace during this difficult time. It will always be the Cronin home on Highland but now he's in his heavenly home.

*Will have you and your family in my thoughts and prayers.
