“ I am very sorry for your loss, but I know that Gerald is in a better place where his body is whole and there is no more suffering. I took care of Gerald at night these past few weeks and he was so sweet, no matter how bad he felt. Each family member is in my thoughts and prayers. I am sorry I did not get to meet you. Even though I have worked at Whitten for 28 years, I did not really get to know Gerald until these past weeks and it was a pleasure being able to care for him and try to make him more comfortable. Gerald was very special to us all. Cathy Owens RN 3rd shift Whitten##imported-begin##Cathy Owens##imported-end##
