“ Nancy Kim Rhonda I will surely miss Gerald as I know you all will. We had some good times talking each time I saw him at South House or just out and about. We always talked about the grandchildren. My favorite subject as well as his. Love you all very much.

“ The best advice I received when Jason died and will always remember, "Losing a loved one is something you never get over or forget, you learn to live with it." That takes time. Miss you all. Love you too.

“ Rhonda & Kim, I was saddened to learn of the death of your Daddy. I hate I was unable to attend the service. But I only learned of his passing today(1-6-09). I can remember the fun times growing up around him. He was like my second Dad. Being I was at your house as much as my own. I remember him taking us to Tab's for Ice cream in the convertible car he had. Alan said he enjoyed the breakfasts he had with him at Theo's on Saturday mornings. Please know if you need anything just get in touch. Love you both. You will be in my thoughts. Lisa##imported-begin##Lisa Sanders##imported-end##

“ Rhonda & Kim, I am deeply saddened to hear of your Dad's passing. I think back to the first time I met him. What a delight he was to a 18 year old kid. The times that I shared with he and your Mom. I will never forget. Most of all how wonderful they each were to my family when my Mom died. Please know he will occupy a special place in my family's heart for being there for us. Being on the West Coast does not allow me to be there to provide the same comfort to you, but know that your entire family is in our thoughts and prayers throughout this time of grief. Having lost so many precious people in my life, it seems they are so far away, but just remember we each are only one heartbeat away from them. May God continue to bless and keep you.###imported-begin##Phyllis Duncan Nelson###imported-end##
