*~Big Kid~,
For many years, you were my hero, I looked up to you and adored you... You are the best..I'll never forget that it was you that took me to my first rock n roll concert to see Elvis...I think of you every time I hear one of his songs...you just give him a hug for me, ok...I love you and:
I'll See you on the other side!...(Ozzy)
This world was never meant for One as beautiful as you...(Don McLean)*

“ Geri was always more than a 1st cousin too me and I always look back in fondness of the time I spent living with her, Larry and David. She was like a second Mom to me and I'll miss her terribly. I regret now not staying in better contact with her over the years. She was a much better correspondant than I. I love you Geri 💔😞
