“ My thoughts and prayers are with you, PaPa and all of the members of the Powell family. I always thought of MaMa often - but more so during this time of the year, as MaMa make the best fried okra of anyone! After spending many a summer in the packing shed, I still recall the most wonderful lunches that MaMa would make for us to enjoy. A spead fit for a king - always prepared with love. Take joy in the wonderful memories and know that she is now at peace with the angels.##imported-begin##Cindy Cantrell-Lathan##imported-end##

“ My prayers are with all of you at this difficult time of loss. I pray that God will give you a tiny glimpse of the wonders that she is experiencing in Heaven and give you the perfect peace that only He can give. I will remember Mrs. Powell as a pretty and graceful little lady who cast a large shadow of love and friendliness that reached way beyond her immediate family. Our boys loved working at Peach country and getting to know her and enjoyed the delicious meals that she prepared! Love to you all.
